Kindy Screening Program Pricing

Effective 1 October 2026

Therapy Focus

Our experienced therapists conduct screenings at kindergartens, schools and childcare centres throughout Perth and in the South West region.

To get a customised quote, call 1300 135 373 or email kindyscreening@therapyfocus.net.au

Speech and Language Screening

20 minute observation of a child's communication skills, including semantics, grammar, and articulation by a qualified Speech Pathologist.

Aims to identify children presenting with speech and/or language delays/ disorders who may require referral for further assessment.

$85 / child

Occupational Therapy Screening

20 minute observation of a child's sensory-motor and functional skills, including gross and fine motor, visual perception, self-care skills, attention, play, and sensory processing by a qualified Occupational Therapist.

Aims to identify children presenting with developmental difficulties who may require referral for further assessment.

$85 / child

Results Meeting

A one hour meeting per class of 10-30 children with screening results, analysis and recommendations are presented to teaching staff.

A checklist summary with any relevant recommendations will be provided for each child.

$193.99

Travel

Time taken to travel to and from the kindergarten, school or childcare centre from the nearest Therapy Focus office plus mileage.

View our locations at **therapyfocus.net.au/locations**

$193.99 / hour

$1.25 / km

Our therapists can see a minimum of 10 and maximum of 15 children per day.

Screenings are conducted on-site at your school, kindergarten or childcare centre.

We require a room with table and chairs in which children can be seen individually by therapist/s. Children must be escorted to and from the screening by school staff.
