

Our Margaret River office is moving

Our Margaret River office is moving to a new building.

We will move on Thursday, 1 October 2026.

Friday, 25 September 2026 is the last day at our old office.

Our new office has better facilities for you and your therapist.

Our new address

Our new address is:

Shops 3, 5 and 8, 43B Townview Terrace, Margaret River WA 6285

You can view the map here: <https://maps.app.goo.gl/aZ7jGBnTMr1fjnYs5>

A team member will come and help you.

What stays the same

- You will keep seeing the same therapist.
- Your appointment day and time will not change.
- You will get the same great support you know.

Parking at our new office

Visitor parking, including ACROD bays, is available at the front of the office.

Access visitor parking via the lane next to the Woolworths car park entry.

More parking is available nearby on Townview Terrace.

Give yourself extra time on your first visit. This helps you find parking and the office.

Will my travel cost change?

Some customers get therapy at home or in the community.

Our new office is only 400m from our old office.

Your travel cost should not change much.

You can read more about travel costs on our website: therapyfocus.net.au/how-we-work/travel-charges
